March 9<sup>th</sup>: William Anthony, Ph.D., a Boston University Professor and his wife, Camille Anthony, created National Napping Day in 1999 as an effort to spotlight the health benefits to catching up on quality sleep  
 March 23<sup>rd</sup>: A massive asteroid (4581 Asclepius) nearly hit the earth in 1989. This day is commemorated annually on March 23 as people across the nation celebrate National Near Miss Day.
