Our career exploration for January was transportation. The groups did many things from going to train yards, airports, and inviting in a couple of our bus drivers to talk about their jobs. It was also a great time having Joe Kohnen from the Deshler historical society to talk about Deshler's Crossroads of the B&O train park.

*Individuals completed **190** hours of volunteer services and **445** hours of community integration hours in January.*

THIS MONTH'S FEATURED TRACTS

COMMUNITY INTEGRATION

We had a great trip to Pack Rat's Pawn Shop. Luke was wonderful answering our many questions and showing us the different motorcycles they have available. He even let us sit on a motorcycle of our choice, turned on a motorcycle so we could hear the sound of it and rode another one around the showroom so we could see the lights change colors. Our favorite motorcycle was the pink one. It went along with the industry of the month of January being transportation.

PRE VOCATIONAL

Summer or winter the job still needs to be done! While Lily Creek is one of our volunteer spots we learn many skills that a farmhand would need. Cleaning water troughs, sweeping the barn floor, mucking the stalls, and filling and hanging the hay bags there is always work to be done.

HAPPY ANNIVERSARY!

Volunteer project ideas are always welcomed. Please talk to the Director about opportunities you see in your community.
