## FULTON COUNTY MUSEUM & WELCOME CENTER

There is so much local history on display here! Along with walls, cabinets and drawers of artifacts and photographs native to Fulton County and northwest Ohio we were fascinated by a temporary display of P.T. Barnum and his ties to Fulton County.

*Individuals completed 44 hours of volunteer services and 270 hours of community integration hours in January.*

## THIS MONTH'S FEATURED TRACTS

### COMMUNITY INTEGRATION

We recently visited the Toledo Museum of Art. Admission is free and the wonders to explore are endless. We especially had fun in one of the interactive guest exhibits that incorporated video, sound and art.

### PRE-VOCATIONAL

Even though we have specific pre-vocational training, such as money skills, following steps and time management, that several individuals work on while here at the Center. We try to give the individuals we serve opportunities to put those skills into action during real-life situations here and out in the community.

Volunteer project ideas are always welcomed. Please talk to the Director about opportunities you see in your community.
