## From the Desk of Director Corey Wilson

"Life is what happens when you're busy making other plans."  
-John Lennon

The Beatles member was spot on with this quote. Make sure our plans are solid for our individuals, but also remember that life continues with or without those plans, so be prepared to enjoy or face the adversity that's unplanned when it comes your way. The weather is unpredictable, so prepare for rain, snow and sunshine! Have an awesome year!

## CHELSEA ROTH

Chelsea Roth has begun her first true teaching experience as a substitute teacher at Peacock Learning in Canal Winchester. Chelsea offers assistance to youth students during the day and provide individual aide as needed. We are super proud of Chelsea and wish her the best.

*.Individuals completed 83 hours of volunteer services and 281 hours of community integration hours in January.*

## THIS MONTH'S FEATURED TRACTS

### COMMUNITY INTEGRATION

Obviously we didn't get enough candy during the holidays because now we've added the Anthony Thomas Chocolate Factory tour to our repertoire. Our individuals now tour nearly every farm, factory, store, or museum within 40 miles. We've also made a point to continue to hit our local businesses frequently to continue supporting the community we all want to thrive!

### PRE-VOCATIONAL

Some people want to be astronauts, chefs, police officers, or babysitters. Here at PCS we try and focus on the individual and help hone in on achievable goals. That in mind, we set out to create some job-direct related skill transfer exercises for host/hostess, waiters/waitresses, and janitorial professionals.
