## Now Hiring at Person Centered Services!

PCS is an adult day service for the developmentally and intellectually disabled in our community.

You will be trained in several groups, then once you're comfortable, you'll run a group of your own! We take our individuals on outings to be as involved in their community as possible, and teach life skills to promote independence. You must be able to pass a physical, drug screen, and BCI.

Monday - Friday 8:00a - 3:30p.  
Experience not required, but is a plus.  
We hope you'll join our team!
