We enjoyed celebrating the Super Bowl all month long. Everyone made their picks and we had outings and craft activities to go along with it. At the end of the month the cooking class members helped make brats and other snacks and we celebrated the game with a party.

Individuals completed 9 hours of volunteer services and 58 hours of community integration hours in January.

THIS MONTH’S FEATURED TRACTS

COMMUNITY INTEGRATION

We went and checked out a new place to get your dog tags and licenses and saw this pretty fountain.

PRE-VOCATIONAL

Our trophy and digital printing departments are always busy serving our communities. We have so many talented people with a great work ethic. Our janitorial department keeps our center sparkling clean!

On Thanksgiving we enjoyed a fantastic lunch. Janet Yoho coordinated the luncheon and did a fine job. The menu consisted of turkey, dressing, mashed potatoes and gravy, noodles, corn, green beans, and pie. Everything was absolutely delicious. State Representative Janet Pell stopped by the workshop and enjoyed lunch with us. She is our state representative for our parent company called Active Day.

Our caroling group had several stops around Woodsfield. We sang at the following businesses; Monroe County Beacon Office, Monroe County Senior Center, Westwood Place, Arbors at Woodsfield, Monroe County Courthouse, Monroe County Care Center, and the Kiwanis Club luncheon. We sang several Christmas Carols. We always have a great time and we received several gifts from the businesses. That was so nice of them. Caroling coordinators this year was Janet Yoho and Tracey Mellott.

Monroe County Masonic Lodges from Clarington, Beallsville, and Woodsfield visited the workshop and also the kids at our Monroe Achievement Center. Santa came with them and he brought all of us stuffed animals. They also treated us to pizza and pop. We appreciate Santa and the Lodges for everything.
