“Be the inspiration in your own story”

FLU season is among us. Here at PCS we stress the importance of frequent hand washing and other preventative measures from spreading germs.

For this month's community luncheon we welcomed Tammy Wetherell, who joined us to talk about her job as a school bus driver, for a local school district. One of the most important topics of discussion was safety. We would like to thank Ms. Wetherell for taking the time to come in and speak with our group on what it is like to work in transportation.

Individuals completed 80 hours of volunteer services and 414 hours of community integration hours in January.

THIS MONTH'S FEATURED TRACTS

COMMUNITY INTEGRATION PRE-VOCATIONAL

Whether it is mall walking, shopping, bowling or a trip to the Library our individuals love to get out and enjoy their local communities. We enjoy seeing familiar faces and meeting new friends. Recently a small group spent a day at Eldorado Scioto Downs Casino. A fun time was had by all with a couple of lucky winners in the group. It was also used as a learning experience where they learned about the importance of responsible gambling.

Our workforce development room has been a valuable tool for those who are looking to obtain employment. We have stations for a wide variety of skills. Stations including sorting, assembly, wrapping silverware, grocery bagging, shredding of confidential documents and mail sorting. As we master these skills we are always looking for more ways to improve and add more stations. Any and all suggestions are welcomed.
