TUSCARAWAS CAREER AND LIFE ENRICHMENT CENTER

## From the Desk of

### Director Deb Martinelli

Among the sickness, there is a lot of activity going on around us.

We have several activities for February including a Valentine's Day pizza party, wearing "red" clothing supporting women's heart health, bring your pet to work day, and National Retro Day on February 27th.

Coming up will be a St. Patty's Day celebration, a "Spring Fling" and many other outings for spring. We hope to resume swimming at the YMCA in March too.

"To succeed in life, you need three things: a wishbone, a backbone, and a funny bone."

## CAREER OF THE MONTH TRANSPORTATION

We had our very own driver, Tim Stone, speak to the group on the history of the automobile. Tim was interesting to listen to and very knowledgeable. We learned that the Model T was made between 1908 and 1927, before the Model A. The wheels on those early vehicles contained wooden spokes in the center. Their top speed was 28 mph and the cost in 1925 was around \$300.00. Tim had a captive audience with many questions. Thank you Tim.

**Individuals completed 401 hours of volunteer services and 310 hours of community integration hours in January.**

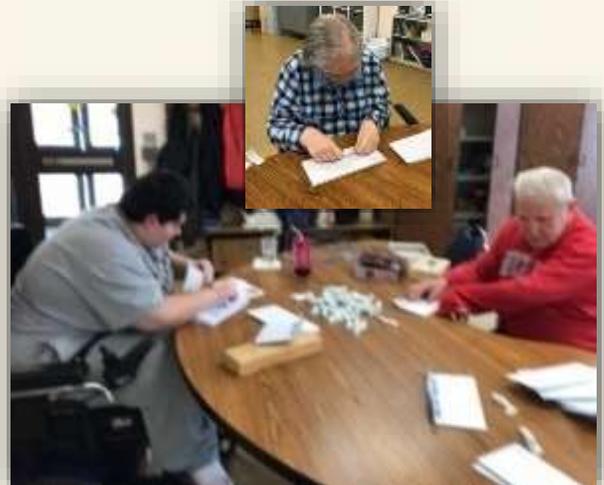

## THIS MONTH'S FEATURED TRACTS

### COMMUNITY INTEGRATION

Our outing to the McKinley Museum was such a big hit that we've made plans to take a couple more groups there in the near future. There was a lot of "hands on" activities to do there. Darren and Darlene enjoyed looking at animal furs in the museum. Darren got involved also with the simulated tornado, and Karen learned how pulleys work.

### PRE-VOCATIONAL

We have had members helping us with our monthly mailing. Our members so enjoy volunteering and learning new skills and the labeling, folding, and stuffing envelopes gives them a chance to do this. Our members do a fantastic job with this task and we all hope everyone enjoys reading our newsletter. We hope that one day we can do mailings for others.

### Now Hiring at Person Centered Services!

PCS is an adult day service for the developmentally and intellectually disabled in our community.

You will be trained in several groups, then once you're comfortable, you'll run a group of your own! We take our individuals on outings to be as involved in their community as possible, and teach life skills to promote independence. You must be able to pass a physical, drug screen, and BCI.

Monday - Friday 8:00a - 3:30p.  
Experience not required, but is a plus.  
We hope you'll join our team!
