UNION CAREER AND LIFE ENRICHMENT CENTER

Discover-Connect-Inspire

From the Desk of Director

Vanessa Gombash

So far it's been a very mild Ohio winter and have been able to keep getting out of the building!

We've been able to keep up with some of our volunteering with Union County Park and at Stockhands. Were even going to the Columbus Zoo on Presidents Day!

In order to keep us this active and going strong, we need to make sure we are healthy. If you notice any symptoms ie; cough, fever, upset stomach, please do not have individual attend ADS. Sending them in sick makes others sick and it's a never ending cycle. and look forward to building friendships in 2020.

Individuals complete 110 hours of volunteer services and 270 hours of community integration hours in December.

CAREER DEVELOPMENT

We set up a mock interview with the wonderful help from George, who is a manager from Meijer here in Marysville. George was fantastic with helping us answer all of our questions we had for him. Our individuals enjoyed listening to him and think Meijer would be a good potential job for everyone out there.

THIS MONTH'S FEATURED TRACTS

COMMUNITY INTEGRATION

They always have the best times together swimming at the YMCA.

PRE-VOCATIONAL

The Richwood library has been keeping us very busy working on our gross and fine motor skills through volunteering. Carolyn, the librarian there, keeps an ongoing list of chores for us to master including dusting, filing, setting up for programs and outside maintenance. Our individuals have learned the importance of keeping the schedule consistent and being on time.
